- h. Entities that are controlled, jointly controlled or significantly influenced by the Government, namely the Minister of Finance or Local Government who are shareholders of the entity.

As of 31 December 2022, Bank Mandiri carries out affiliated transactions and has reported the transaction to the regulator and the Indonesia Stock Exchange as follows:

1. Equity investment to PT Mandiri Capital Indonesia in accordance with Bank Mandiri's portion of Rp107,000,000,000 on 23 June 2022.
2. Establishment of PT FitAja Digital Nusantara ("FDN"), which is a limited liability company that manages and operates the Digital Healthcare Platform application of State-Owned Enterprises ("SOEs"), namely the FitAja Application! ("Establishment of FDN"). The establishment of FDN is carried out by the following parties:
 - a. PT Asuransi Jiwa Inhealth Indonesia ("Mandiri Inhealth"), which is directly owned by Bank Mandiri;
 - b. PT Mandiri Capital Indonesia ("MCI"), which is directly owned by Bank Mandiri; and

- c. PT Metra Digital Investama ("MDI"), which is indirectly owned by PT Telkom Indonesia (Persero) Tbk ("Telkom").

Given that Bank Mandiri and Telkom are companies directly owned by the Government of the Republic of Indonesia, therefore, the parties involved in the establishment of FDN are parties indirectly owned by the Government of the Republic of Indonesia, thereby the transaction of establishment of FDN is an affiliate transaction.

This transaction was carried out with affiliated parties with the Company on the consideration that one of the objectives of the establishment of FDN was to support the Acceleration of Integration of SOEs Digital Ecosystem Management, especially in the digital healthcare ecosystem, thereby synergy between SOEs and its subsidiaries is needed to realize these aspirations. In terms of this synergy, the FitAja! comes from the MIMO Application owned by Mandiri Inhealth. With the collaboration between Mandiri Inhealth and MCI with MDI which is part of the Telkom Group, it is hoped that the FitAja Application! can provide benefits to the wider community supported by reliable telecommunications infrastructure.

The Digital Healthcare Initiative plan begins with a faceoff of Mandiri Inhealth Mobile ("MIMO Application") digital application to the FitAja digital application! ("FitAja App!"). FitAja app! currently registered as an electronic system at the Ministry of Communication and Informatics of the Republic of

Indonesia. Further, the brand FitAja! has also been registered with the Ministry of Law and Human Rights of the Republic of Indonesia.

The establishment of FDN was carried out on 31 July 2022, with the composition of Mandiri Group's share ownership (Mandiri Inhealth and MCI) at 60% (sixty percent) and Telkom Group (MDI) at 40% (forty percent). The establishment of FDN is carried out by taking into account

the applicable provisions, including the Decree of the Minister of SOEs No. SK-315/MBU/12/2019 dated 12 December 2019 concerning the Arrangement of Subsidiaries or Joint Ventures within State-Owned Enterprises.

Refer to the ATB assessment report of the FitAja! from the KJPP RSR, as well as the value of capital deposits in cash provided by Mandiri Inhealth, MCI and MDI into the FDN,

the transaction value in connection with the Establishment of FDN is Rp106,210,000,000 (one hundred and six billion two hundred and ten million Rupiah), which is equivalent to 100% of the shares in FDN with the value of each share of Rp10,000 (ten thousand Rupiah). The details of the transaction value provided by Mandiri Inhealth, MCI and MDI in connection with the establishment of FDN are as follows:
