

INVESTOR RELATIONS

Investor Relations is one of the supporting organs between the Company and investors, as well as potential investors, shareholders, institutional brokers, investment managers and analysts, which aim to increase the Company's creditability and to link a communication between the Company's management and investors. Investor Relations is responsible to manage an open communication and information delivery to assist investors in making investment decisions.

The Investor Relations Division proactively communicates with investors and analysts about the Company. The delivery of communication and information shall be in the form of meetings with investors and analysts, public expose, presentations, road shows, press releases, newsletters or other reports, as well as participating in the domestic and international investor forum or conference.

The Company appoints the Investor Relations to provide adequate access of information on the Company's performance for the investment community including stakeholders.

Investor Relations is one of the supporting organs between the Company and investors, as well as potential investors, shareholders, institutional brokers, investment managers and analysts, which aim to increase the Company's creditability and to link a communication between the Company's management and investors.

Investor Relations is responsible to manage an open communication and information delivery to assist investors in making investment decisions. The Investor Relations Division proactively communicates with investors and analysts about the Company.
