Gratuity Policy

Bank Mandiri realizes that gratuity control is an important activity to keep business processes in line with business ethics that uphold the value of integrity. Therefore, since 2013, Bank Mandiri has had a Operating Technical Guideline namely Gift Disclosure Statement that regulates the prohibition on receiving gratuity for all Bank Mandiri employees. In addition, Gratuity control aims to build the values of Good Corporate Governance and create integrity values for all Bank Mandiri employees. Therefore, in carrying out daily business activities with customers, vendors, partners and all stakeholders, Bank Mandiri always based on ethics, mutual trust, and to be responsible. Thus business interests continue to run well and ethically but do not conflict with the provisions on the prohibition of gratuity. Until now, Bank Mandiri has tried to make continuous improvements in the implementation of its gratuity controls.

As a follow-up to directions from KPK related to establishment of fair value limits and adjustments to the current condition where Banks needs to maintain good partnership with all stakeholders in the course of their daily operations, Bank Mandiri had made improvements to the Operational and Technical Guidelines for Gratuity Control, which have taken into effect on November 2, 2020.
