Internal Audit Charter

Internal Audit has an Internal Audit Charter ratified by the President Director and chairman of Bank Mandiri, which was last updated on 9 October 2019. Internal Audit Charter provides guidance regarding the purpose, position, authority, responsibilities and scope of internal Audit work. The position, authority and responsibilities expressed formally in the Internal Audit Charter are in accordance with the FSA regulation of the Republic of Indonesia No. 1/POJK. 03/2019 on implementing the internal Audit function of the commercial Bank.

Internal Audit Tasks and Responsibilities

In carrying out its functions, the tasks and responsibilities of Internal Audit are as follows:

1. Planning and implementing internal audit activities with emphasis on areas/activities that are of high risk and evaluate existing procedures/control system to gain confidence that the Bank's objectives and objectives can be achieved optimally and continuously.
2. Conducting investigations, reporting, and conveying recommendations/conclusions on fraud to management.
3. Acting as a system builder for investigative activities, including for investigations carried out by work units outside of Internal Audit.
4. Developing and running programs to evaluate and improve the quality of Internal Audit.
5. Providing recommendations on audit results and monitor follow-up activity results of internal audit and investigative activities.
6. Assisting the tasks of the President Director and Board of Commissioners in conducting oversight by describing the operational operations of both planning, implementation, and monitoring the audit results.
7. Coordinate its activities with external audit activities and other units/functions of assurance provider, in order to be achieved comprehensive and optimum audit results. Coordination can be carried out through periodic meetings to discuss things that are important to both sides.
8. Communicating directly with the board of directors, the BOC, the Audit Committee and the Integrated Governance Committee.
9. Making analysis and assessment in the field of finance, accounting, operations, and other activities through auditing.
